

Community2Work®

Community2Work At A Glance

About Community2Work® (C2W)

To address the unique challenges the job market poses for both job seekers and organizations, we serve as a community partner helping UPMC and its affiliates diversify staffing. Through customized coaching and training this innovative program provides job seekers and workforce program participants with a chance to develop their skills and be matched for potential employment.

Community2Work® gets candidates prepared and pre-screened for employment with UPMC.
